Welcome Back!

Warm days, and cool nights once again signal our return to the classroom. I hope the summer break has returned you to your classroom rested and energized for the year ahead.

As you know, both our Central Table and our Local Table Collective Agreements expired on August 31, 2022.

Centrally, ETFO has met with representatives of the Ford Government and the Ontario Public School Board Association (OPSBA). At this time, the list of Central Table Items has not been finalized.

Locally, we conducted our all member preliminary submission survey last year, and are awaiting the finalization of the Central Table Items to complete our preliminary submission and share it for member review and approval.
